

# Project Report Submission Process

## Step 1: Download the Project Report Template

In left side Pannel of LMS, you will see the list of the modules. Click on **Report Template** Module

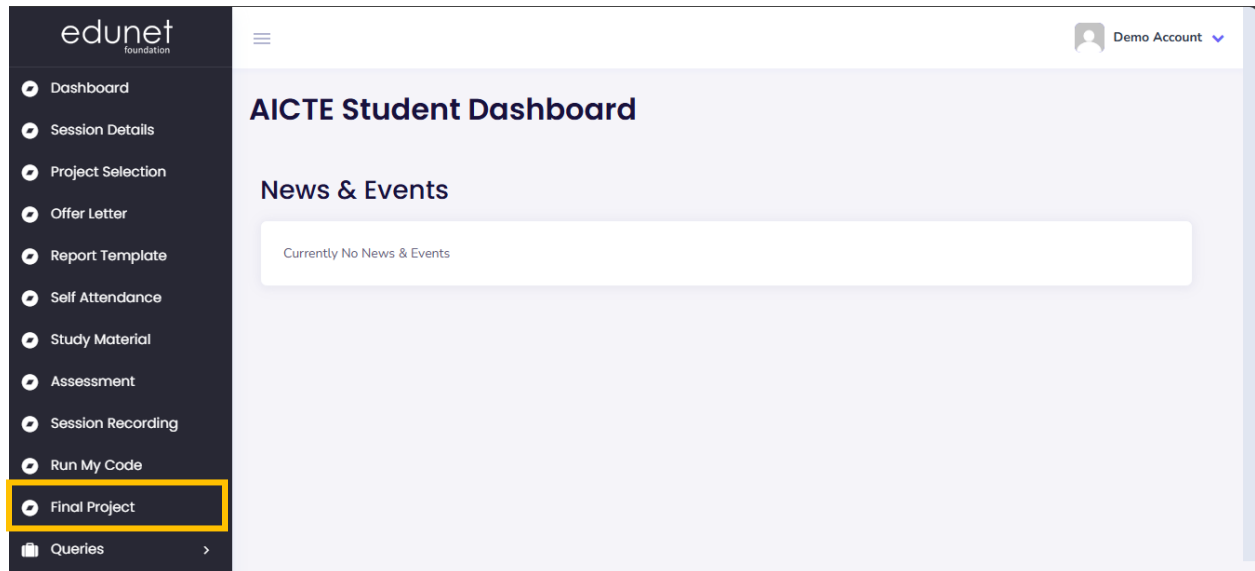

Please go through with the formatting criterias and click on **download template** button. It will open the word document in new tab and from there you can download it.

## Step 2: Project Report Submission

In left side Pannel of LMS, you will see the list of the modules. Click on **Final Project** Module

When you click on Final Project you need to submit the Feedback on AICTE Internship Program. Once you submit the Feedback you will see the file upload option. You need to upload **PDF file** only as a submission.

**Note :** Before submission please cross-verify that you are submitting the correct file as you can do the submission only once.
